

**JOB POSITION: PRODUCT DESIGN INTERN**

**JOB LOCATION: RIDGEFIELD, NJ 07657**

**Spreengs is hiring!**

We have an opening for an internship in our product design department. We do not expect applicants to have experience in our field, you will be trained. Experience in computer and/or graphic design is a requirement.

Our internship program is a summer position with intent to hire based in Ridgefield NJ, geared towards current grad students, recently graduated students, or extraordinary undergrads. If you're a creative, enthusiastic, passionate team player, give us a shout!

**Responsibilities:**

- Follow brand guidelines to ensure consistency across designers and mediums, while collaborating on new ideas and optimizing brand standards through routine testing, learning, measuring and expanding
- Assemble Spreengs products and testing
- Handle customers in a friendly manner and maintain a positive work environment
- Print production working on all the machines in our in-house printing facility
- Ensure that customers have an enjoyable experience by providing superior customer service and exceeding customer expectations
- Maintain the cleanliness and professional appearance of the work environment

**Basic Qualifications:**

- Knowledge of computer hardware and repair
- Knowledge of design practices and concepts
- Currently enrolled in a design or computer program
- Exceptional organizational skills
- Strong written and oral communication skills
- Proficient in Adobe Creative Suite
- Proficient in Microsoft Windows & Office
- Work well in team environment
- Detail oriented

**Compensation:**

This is an unpaid internship with the opportunity to gain full time employment. We'll cover your transportation and daily lunch.

**Note:** The above statements are intended to describe the general nature and level of work being performed by people assigned to this job. They are not intended to be an exhaustive list of all duties, responsibilities, and skills required of personnel so classified, and they may change at any time.
